#### Student's Chapter CSE

The oldest and most active students community in Academy of Technology.

Inspiring, Guiding, Evolving Since 2018.

Till now we have:

- 250+ Community members
- 50+ Events
- 3000+ Supporters

#### About Us:

Hey Folks, we are a college community, committed to promoting knowledge and values to people who look up to us!

We work together, to gain skills and enjoy our college life by participating in events and doing something productive!

Our Tech Team promotes development and innovation. Consisting of talented and enthusiastic students, we actively engage

in learning new technologies and applying them for the betterment of ourselves and Students' Chapter!

The PR Team ensures effective communication and outreach within the student community and beyond.

Our Design Team helps us in UI/UX, swags, captions, and posters.

The members of this team are really enthusiastic about working together in a community!
